

REMARKS

In the outstanding Ex Parte Quayle action, claims 1-5 were indicated as allowed, and prosecution was closed except as to formal matters. In particular, the length of the Abstract was objected-to.

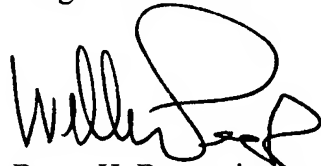

By the present Response, Applicants are presenting a new replacement Abstract. The new replacement Abstract includes between 50-150 words, and thus complies with the requirements of the MPEP.

Accordingly, Applicants respectfully request reconsideration and withdrawal of the objection, and an indication of the allowability of each of the claims now pending.

CONCLUSION

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
